**Modern Education Group Limited** (Stock code: 1082) ("Modern Education" or "The Group") was invited by YMCA of Hong Kong to participate in the commencement ceremony of "A-Life Academy". A certificate of appreciation was awarded to the representative of Modern Education in the commencement ceremony in recognition of the Group's support and sponsorship of 56 students from Form 4 to Form 6 receiving free tutoring courses at Modern Education.

Through the A-Life Academy, YMCA hopes to provide all round support to adolescents who lack social recognition and feel pressured in life due to worries and a sense of helplessness about their future. Modern Education highly supports the aim of A-Life Academy, and in order to help and support students in different levels of society, the Group is sponsoring each participant of A-Life Academy two free tutoring courses of their choice in the next two years. Through this sponsorship, Modern Education hopes to help young people with hopes to complete their secondary education under the new academic structure and provide them with a better opportunity for further education.
